Systems and Procedures for Maintaining and Utilizing Physical, Academic and Support Facilities

- Each department are allotted one teachers sitting room and two to three classrooms where the HOD arrange classes of the departmental students as per class routine
- The classrooms are equipped with white/green boards with furniture which are regularly maintained and cleaned by the fourth grade employees and supervised by the academic incharge of the college.
- The geography and education departments have laboratories which are utilized as per schedule by the HOD of the department and maintained by the laboratory bearers.
- There is a Library Committee which makes policy regarding management and resource mobilization of the library.
- The web site of the college is updated by external professionals.
