## Strategies Adopted by the College for Advanced and Slow Learners

Strategies adopted for slow learners:

- Remedial classes and free tutorials are arranged for slow learners
- There exists mentoring facility for the slow learners. Personal and academic counseling sessions are conducted by faculty members to boost the confidence of such learners.
- For them previous year's question papers are discussed as well as methods for solving them are provided.
- Course-related notes and study materials are distributed to facilitate learning.

Strategies adopted for advanced learners:

- Additional learning and reference materials are provided to such learners.
- The faculties try to develop competencies such as critical thinking and problem solving of advanced learners
- Advanced learners are constantly motivated by faculties to appear in competitive examinations.
